

9th LIFE COURSE IMMUNISATION SUMMIT - 29/11/2024 - 14:30-18:15

Working Group 1 (29/11/2024) - 14:30-16:30

EQUITABLE ACCESS TO VACCINATIONS ACROSS THE LIFECOURSE

14:30	From the Frontline: Healthcare Professionals' Insights on Navigating Vaccine Barriers in Mixed Socioeconomic Communities	Prof. Sir Terence Stephenson UCL GOS Institute of Child Health (UK)
14:40	Aging and Access: Addressing Technological and Literacy Barriers in Vaccination for Older Adults	Jane Barratt [VIRTUAL] International Federation on Ageing (IFA)
14:50	Navigating the Risks: The Consequences of Inadequate Vaccination on Health Conditions in Late Adulthood	Prof. Thomas Weinke (Germany)
15:00	Mind the Vaccination Gap: Exploring the Far-reaching Consequences of Missed Childhood Vaccinations on Individual and Community Health	Dr Colin Michie University of Central Lancashire (United Kingdom)
15:10	Innovating Access: Adapting Healthcare Practices and Systems to Maximize Vaccine Reach to Pockets of Low Coverage	George Valiotis Health Technology Assessment international (HTAi)
15:20	Underserved Communities: A Life Course Approach to Increase Coverage Amongst the Most Vulnerable in Society	Prof. Monica Lakhanpaul University College London (UK)
15:30	Grassroots Mobilisation: Leveraging Civil Society and Community Leadership to Bridge Gaps in Vaccine Coverage	Mariano Votta Active Citizenship Network (ACN)
15:40	Navigating the Silver: Addressing Unique Barriers to Vaccination in Adulthood and Strategies for Enhancing Access and Compliance	Susan Schwartz Global Coalition on Ageing (GCOA)
15:50	Older Adult Vaccinations: Challenges and Solutions of Implementing the Immunization Agenda 2030	Marta Lomazzi World Federation Public Health Associations (WFPHA)
16:00	Barriers to Equity: Unpacking the Role of Misinformation in Shaping Vaccine Access and Fairness Across Diverse Communities	Gary Finnegan [VIRTUAL] Vaccines Together
16:10 - 16:30	Discussion: <i>Strategies to Improve Equitable Access to Vaccinations Across the Life Course - (Working Coffee Served)</i>	(1) George Syrogiannopoulos, (2) Lee Hudson, (3) Henriette Moll, (4) Aubrey Cunnington, (5) Lies Kreik, (6) Rachel Thomas, (7) Laura Reali, (8) Elianne Vrijlandt, (9) Shimon Barak, (10) Marco Del Riccio

Working Group 2 (29/11/2024) - 16:30-18:15

BRONCHIOLITIS AND PNEUMONIA IN THE CONTEXT OF PRIMARY CARE SETTINGS

16:30	From the Frontline: Survey Insights from Healthcare Professionals on the RSV Burden in Primary Care and Private Practices This Season	Prof. Sir Terence Stephenson UCL GOS Institute of Child Health (UK)
16:40	Navigating the Current RSV Season: Trends in Respiratory Illnesses and the Landscape of Preventive Interventions	Prof. Susanna Esposito [VIRTUAL] University of Parma Italy and President of WAIDID
16:50	The Seasonal Challenge for Healthcare Systems: RSV-Associated Hospitalizations Across All Age Groups	Dr Marco Del Riccio
17:00	Beyond the Surface: Evaluating the Burden of Bronchiolitis and Pneumonia in <u>Primary Care Environments</u>	Dr Laura Reali European Confederation of Primary Care Pediatricians
17:10	Beyond the Surface: Exploring the Impact of Bronchiolitis and Pneumonia on <u>Child Health and Families</u>	Lies Kreik - Rachel Thomas RSV Patient Network - ReSViNET Foundation
17:20	Critical Challenges: Bronchiolitis and Pneumonia in the ICU - Severe Cases and Long-Term Outcomes Explored	Dr Elianne Vrijlandt University Medical Center Groningen (Netherlands)
17:30	Treatment Practices for Seasonal Respiratory Diseases in Primary Care: Diagnostic Dilemmas and Antibiotic Stewardship	Dr Valtyr Thors Children's Hospital Reykjavik (Iceland)
17:40	Addressing Seasonal Respiratory Infections: Identifying the Training, Resources, and Guidance Needs of Primary Care Physicians	Dr Shimon Barak European Confederation of Primary Care Pediatricians
17:50 - 18:15	Discussion - Strategies to Decrease the Burden of Seasonal Respiratory Infections	(1) George Syrogiannopoulos, (2) Lee Hudson, (3) Henriette Moll, (4) Aubrey Cunnington, (5) Mariano Votta, (6) George Valiotis, (7) Colin Michie, (8) Thomas Weinke, (9) Susan Schwartz (10) Marta Lomazzi
